INDIVIDUAL COURSES TRAINING SERIES Electronic Flight Bags

FIXED/ROTOR WING

IPAD COMPATIBLE

APPROX 1.1 HRS

Electronic Flight Bags (EFB) ensures pilots have a working knowledge of their EFB devices and how to operate them. The course covers types of EFBs and applications, procedures for using the EFB while in flight, and how to troubleshoot common problems, as well as lithium battery safety.

This course fulfills the requirements of Operations Specifications/MSpec/LOA A025 and A061 and provides pilots with a foundational understanding about their EFB devices.

TUTORIALS

Electronic Flight Bags

1. Introduction to EFBs
2. Operation of the EFB
3. Abnormal and Emergency Procedures

LESSONS

▶ Comprehensive examination covers subject matter from all lessons

Electronic Flight Bags

1. Electronic Flight Bag (EFB)
